Claims Main Page

This page is your portal into the Claims Process. Your current options are:

[1. Place or Remove Holds on Review of Claims](#)

(Use this to select claims you want the Claims Administrator to hold for Gates and/or Points Review pending receipt and submission of additional records, to remove holds you previously placed on claims, or to tell the Claims Administrator to move forward with the reviews of your claim. You do not need to do anything if you have submitted a complete claims package, because the Claims Administrator will automatically proceed with reviews of your claim within 14 days after the claim appears on this page.)

[2. Vioux Pill Count Calculator](#)

[3. Certification Template for Pre-11/9/07 Record Requests](#)

[4. Claims Status](#)

Place or Remove Holds on Review of Claims

This section permits you to place a hold on Claims or to lift a hold you have previously placed on a claim. Claims appearing on this page are those that are ready for Gates Review because you have submitted and we have coded in our database the receipt of a Complete Claims Form and either Proof of Use or Event Records. Claims that satisfy this criteria will appear on this page, but only if we received the Claims Materials after June 16, 2008. Claims submitted before June 16, 2008, will not appear on this list, but if you wish to place a hold on any such claim, you should notify your CA Contact and, if we place a hold on the Claim, it will then appear on this list so you may later remove the Gates Hold. You will be able to place a hold on a Claim within 14 days after it is posted on this list. After the expiration of the 14 days, the claim will come off this list and the Claims Administrator will proceed with review of the Claim. Claims you place on hold will stay on the list until the earlier of the date you lift the hold or September 1, 2008, when all holds will be lifted.

To see this information, execute one of the Search types below. Use Specific Claimant Search to search for Claimants by VCN or Last Name. To move to a portion of your Claimant list by alphabetical order, you may search by the first letter of a Last Name. For example, a search for "S" will take you to the first Last Name beginning with "S". Click Search All to display all your Claimants.

<< Back to Claims

Specific search Search All

A list matching your search criteria appears below.

No Holds - Proceed With Full Reviews. If you know within the 14 days that the claim is complete and you do not want to place a hold on a claim, you may select the "No Holds - Proceed With Full Reviews" option. After 14 days on the list, the Claims Administrator will automatically proceed with review of a claim, so you do not have to select the "No Holds - Proceed With Full Reviews" option for the claim to continue through review.

Hold for Gates and Points Review. If you have analyzed the Claims Materials you submitted and do not want the Claims Administrator to commence with Gates review because the missing records will affect the eligibility determination of the Claim, select the "Hold for Gates and Points Review" option.

Proceed with Gates Review but Hold for Points. If you have sufficient records to support the Claim's eligibility but are waiting for records that may affect the Points Determination, select the "Proceed with Gates Review but Hold for Points" option.

Remove Hold. After you submit all of the records and the Claims Package is complete in accordance with Exhibit 1.3.1 to the Settlement Agreement, you must remove the hold on the claim you placed previously. Select "Remove Hold" to direct the Claims Administrator that the claim is now complete and should be placed in line for review.
